MEMORANDUM FOR: Director of Information Technology

25X1 FROM:

[Redacted]

Director of Security

SUBJECT: Classified Operation of Data Processing
Equipment in the New Headquarters Building

REFERENCE: Memo for D/S fm D/OIT, dtd 11 Dec 87; Same Subj.

1. Representatives from the Office of Security (OS) and the Office of Information Technology (OIT) met on 18 December 1987 and agreed that effective 21 December 1987, the date on which the conduit-protected optic fibers commenced processing classified data, a heightened and more intensive security monitoring effort of this pathway between the New Headquarters Building and the original Headquarters Building will be in effect. This coverage will continue until acceptance of this space by the U.S. Government from the contractor which is estimated to be circa April 1988.

2. The application of this security measure is in addition to previously agreed upon measures to secure the pull boxes housing the conduits containing the fiber optic lines.
